

Nursing – Accelerated

The mission of the School of Nursing, as an integral part of Bushnell University, is to respond to the higher educational and healthcare needs of our culturally diverse communities. We prepare ethical nurse leaders and educators to be influential in evidence-based, quality improvement within a variety of healthcare and educational communities, both local and global. We embrace Bushnell's mission to foster wisdom, faith, and service through excellent academic programs grounded in the arts and sciences that demonstrate compassion and respect toward all people served.
