## A WELCOME FROM THE PRESIDENT

Dear students:

It is with great pleasure that I welcome you to Northwest Christian College. What an exciting time this is to be a student at NCC! As an institution of higher learning, we have been educating students since 1895. One constant since that time has been our commitment to the Bible and Christian values as our foundation. But NCC has changed dramatically over the years and has experienced a transformation from a Bible college to a Christian liberal arts college. Today, undergraduate students prepare for careers in a diverse array of fields ranging from the ministry and professional careers such as business and education to liberal arts areas such as psychology and speech communication. Furthermore, we have

expanded our offerings to include graduate programs in school counseling, professional counseling, and business administration.

Whatever your choice of major and career happens to be, you will find at NCC well-designed curricula and superb faculty and staff who are focused on your success. At NCC, faculty and staff care not only about a student's intellectual development but about his or her personal development as well. It is a place where breadth and depth of knowledge, critical thinking, relationships, character development, faith development, and values all take center stage. And it is a learning environment from which students leave well-prepared for productive and satisfying careers and lives of Christian service, civic engagement, and ethical leadership.

Look around campus, visit with faculty and staff, and you will soon realize that we are growing, building new facilities, enhancing our technology, adding new programs of study, and offering an increasing number of student learning and growth opportunities such as study abroad, mission trips, and internships.

I invite you to explore this catalog for all that it offers you in the way of challenging and exciting programs of study and avenues for personal growth. And I encourage you to take full advantage of our rich learning environment. Our faculty and staff stand ready to assist you. I hope you will seek and welcome their good counsel and mentoring.

Again, I welcome you to this jewel of a college we call NCC. I trust that your journey with us will be rewarding.

Sincerely,  
Dr. David W. Wilson

# BOARD OF TRUSTEES

## *Governance and Support*

Northwest Christian College is an Oregon corporation, governed by a board of trustees, whose purpose is to maintain a Christian institution of higher learning.

The board of trustees consists of not fewer than 20 nor more than 36 people. Members are elected by the board. Sixty percent must be members of the Christian Church (Disciples of Christ) and the Christian Churches/Churches of Christ, four of whom will be from official entities of these church bodies. Four trustees are elected from the alumni of the College.

The board of trustees is the policy-making and governing body of the College. On the basis of recommendations made by the president of the College it establishes a course for the development of the total program of the College and fulfillment of its mission, and it strives to provide essential funds.

For a complete list of current adjunct faculty teaching in the Professional Studies Program please contact the Dean of the School of Graduate and Professional Studies.

## ***GENERAL INFORMATION***

### ***History***

In 1895 Eugene Divinity School was established adjacent to the University of Oregon campus so that students could use the extensive resources of that state institution while providing its own courses in Bible and Christian ministry. The name of the College was then changed to Eugene Bible University in 1908 and Eugene Bible College in 1930.

Another educational venture that contributed to the history of Northwest Christian College was Spokane University. Established in 1912, Spokane University closed its doors in 1933 as a result of financial difficulties and in order to merge with Eugene Bible College. These merged interests became Northwest Christian College on May 10, 1934. With enriched curriculum and facilities, Northwest Christian College is the faithful heir of the pioneer conviction that led to the institution's establishment in 1895.

### ***Accreditation and Academic Standing***

Northwest Christian College is regionally accredited by the Northwest Commission on Colleges and Universities (NWCCU). The association accredits the universities and colleges both public and private in the Northwest.

Northwest Christian College is authorized as a degree-granting institution by the Office of Degree Authorization, Oregon State Board of Licensure.

Degree programs in Business and Management are further accredited by International Assembly for Collegiate Business Education (IACBE). Teacher Education and School Counseling Programs are approved by the Oregon State Teachers Standards and Practices Commission (TSPC).

Northwest Christian College is approved by the U.S. Department of Justice, Immigration, and Naturalization Service for international and non immigrant students. Programs at Northwest Christian College are approved for the use of veteran's benefits.

### ***Educational Programs***

As a Christian liberal arts college, Northwest Christian College offers a variety of courses of study, ranging from preparation for the ministry to professional programs in business management and teacher education; to liberal arts degrees in areas such as psychology and speech communication; to graduate degree programs in business, school counseling, and professional counseling. The College seeks to provide an education that equips men and women for a variety of vocations and professions, while grounding all of its degrees in biblical studies and Christian values.

### ***Educational Goals***

Through its academic programs Northwest Christian College seeks to fulfill the following objectives:

1. To offer a Christian liberal arts education, integrating faith with learning, through approved academic programs.
2. To enable students to be ethical leaders for service in the workplace, the community, the church, and the world.
3. To enable students to celebrate diversity within a caring community while being engaged globally.
4. To enable students to increase their ability to think rationally, critically, and creatively through fluent spoken and written communication.
5. To prepare students for the workplace and/or for graduate and professional programs at NCC or elsewhere.

### ***Educational Philosophy***

Northwest Christian College is a community of higher learning in which faculty and students strive together for knowledge, understanding, and meaning in relation to the life and teachings of Jesus Christ. The Christian quest for truth relates to all aspects of the liberal arts and sciences, including the humanities, social sciences, and physical and life sciences. The institutional framework and objectives of this community recognize the individual and his/her need for biblical faith, intellectual development, personal effectiveness, and social awareness.

Northwest Christian College seeks to create learning situations, both in and out of the classroom, where students will have the opportunity to discover their potential and consider their relationships with the many environments of their world. Such learning situations require that biblical and general studies be effectively and meaningfully integrated and made relevant to the issues and needs of society. The faculty assumes that the learning process involves the active participation of students; this participation will increase the student's capacity to think critically and responsibly in an environment of openness, freedom of expression, and respect for one another.

### ***Church Relationships and Theological Context***

Northwest Christian College is closely affiliated with the churches that make up the so-called Stone-Campbell Movement. In particular, the historical roots of Northwest Christian College lie in the Christian Church (Disciples of Christ) and the Christian Churches/Churches of Christ. Since its beginnings the College has shared its human resources with these churches, and these churches generously support the College with prayers and encouragement, student referrals, financial contributions, and representation on its governing board. Many of the ministers of these congregations and a large number of lay leaders in the Pacific Northwest are alumni of Northwest Christian College.

Because of this heritage from the Stone-Campbell Movement, Northwest Christian College also has a strong ecumenical interest. The College offers its resources to students and congregations from virtually every tradition of the Church - locally, nationally, and globally.

### ***Characteristics of Our Churches\****

The family of churches known as Christian Churches, Christian Church (Disciples of Christ) and Churches of Christ grew out of an early 19th Century movement with origins in both the United Kingdom and the United States of America. Today there are congregations related to this Christian World Communion in more than 178 countries.

Today in any Christian World Communion there is great diversity in belief and practice. There are also many features of each family that are shared by the whole church of Jesus Christ. What follows is an attempt to create an overall but simple picture of who Churches of Christ and Christian Churches are and so it needs to be read as a whole. It also needs to be read in the context that no attempt is being made to separate this family from the church of Christ universal but rather to describe its place within the whole church.

It is possible to choose ten major characteristics of the churches that comprise this common heritage:

1. A concern for Christian Unity
2. A commitment to Evangelism and Mission
3. An emphasis on the centrality of the New Testament
4. A simple Confession of Faith
5. Believers' Baptism
6. Weekly Communion
7. A Biblical Name
8. Congregational Autonomy
9. Lay Leadership
10. Diversity/Freedom/Liberty

#### **1. A concern for Christian Unity.**

In the 1808 "Declaration and Address" Thomas Campbell wrote that the "Church of Christ on earth is essentially, intentionally and constitutionally one". Another pioneer, Barton Stone, spoke of Christian unity being the "polar star". The "Christian" movement was a movement for unity within the fragmented and often hostile and competitive church environment of that time but ultimately became a separate movement. Today there are different understandings of how Christian unity might be understood and achieved ranging from commitment to the ecumenical movement, with some involved in dialogue and negotiation with other church families, through a belief that there is already an underlying God-given unity despite apparent division, to those who feel that they have discovered what the church should be like and that unity will come through others recognizing this and joining with them.

#### **2. A commitment to Evangelism and Mission.**

Unity was never an end in itself. Its desirability came out of the understanding "that the world could be won only if the church became one". Today that commitment is shown both by emphasizing the need for personal commitment to Jesus Christ and by a concern for peace and justice for all people. Many will balance these two emphases but often one will be emphasized much more than the other.

#### **3. A New Testament emphasis.**

Christian Churches and Churches of Christ are "People of The Book". They believed that unity could be achieved by "restoring" the New Testament Church - stripping away the accumulation of traditions that had brought about division. The authority was the scriptures - not the church. Many still like to be referred to as the "Restoration Movement"; others believe there are difficulties in accepting that the New Testament provides a clear unified model for the church and believe that the church must also be open to God's present word measured against the biblical revelation. All members of Churches of Christ and Christian Churches would describe themselves as biblical but interpretation varies greatly.

#### **4. A simple confession of faith.**

From Matthew 16:16 came the cornerstone question for church membership: "Do you believe that Jesus is the Christ and accept him as your Lord and Savior?" Answering yes to that question is all that is required for membership, though many congregations now have membership classes. This simple question avoided the use of - often divisive - creeds. Many today will not make any use of creeds; others will use them as a means of expressing faith - but not a test of faith.

#### **5. Believers' Baptism.**

Only people who have reached an age where they can make their own confession of faith are baptized. The means of baptism is always immersion. Many congregations will now accept into membership - by transfer - those who become church members through other traditions; other congregations are adamant that believers' baptism is essential. Baptistries - for immersion - are features of worship facilities.

#### **6. Weekly Communion.**

Again believing that they follow the New Testament model, Christian Churches and Churches of Christ celebrate communion or 'The Lord's Supper' each Sunday.

## **7. Biblical Name.**

Members of the emerging 19th Century Movement wanted to be known only as “Christians” or “Disciples of Christ”. Slogans such as “Christians only - but not the only Christians” and “Biblical names for Biblical people” captured this emphasis. Congregations use names such as Church (or Churches or church) of Christ, Christian Church or Christian Church (Disciples of Christ). There are also congregations within uniting churches in many areas and countries.

## **8. Congregational Autonomy.**

Members of Churches of Christ and Christian Churches live under the authority of Christ but this authority is seen as being worked out in the local congregation. For many this congregational autonomy is absolute; many others guard their autonomy jealously but have established ways of working together; many are organized in regions and/or nationally but still with a very large degree of congregational autonomy. Globally there is very limited organization. Some countries that have nationally organized work cooperate through the “Disciples Ecumenical Consultative Council”. The World Convention of Churches of Christ is a global fellowship which endeavors to build up fellowship and understanding within the whole family.

## **9. Lay Leadership.**

The “Priesthood of all Believers” is a mark of all Christian Churches and Churches of Christ. We speak of “mutual ministry”. Participation by lay people in all aspects of the church's life is a notable feature. Lay people conduct the sacraments. Women and men are seen as equal by many parts of the family but others see distinct roles for men and women. There is an employed and trained ministry with recognition varying from a 'paid member' to an expectation of special leadership.

## **10. Diversity.**

“In essentials unity, in nonessentials liberty, and in all things love” is the best known slogan in our family. Christian Churches and Churches of Christ have always allowed for diversity and much of that diversity has been enriching. Diversity also allows for the possibility of intolerance and division and that unfortunately has been part of our experience. This Christian family is left with the challenge of finding for itself the unity-in-diversity it seeks for the whole church of Jesus Christ.

## ***Relations with Other Institutions***

### ***Memberships***

Northwest Christian College is a member of the Eugene Chamber of Commerce, the Springfield Chamber of Commerce, the Oregon Independent Colleges Association, the National Association of Independent Colleges and Universities, the Council for Christian Colleges and Universities, the Council of Independent Colleges, and the Association of Christian Schools International (ACSI).

### ***University of Oregon***

The founding fathers of Northwest Christian College located the College adjacent to the University of Oregon campus in order to utilize their extensive resources. Formal agreements exist between the College and the University for the sharing of certain facilities such as the library.

### ***Other Colleges***

NCC accepts the Associate of Arts Oregon Transfer (AAOT) degree from community colleges in Oregon as satisfying the lower division requirements for degrees at NCC except for the biblical requirements for graduation from NCC. NCC has specific articulation agreements for several majors with community colleges in the southern area of Oregon. These community colleges include Lane Community College (Eugene), Linn-Benton Community College (Albany), Umpqua Community College (Roseburg), and Rogue Community College (Grants Pass). In addition, NCC has articulation agreements for various business majors with Pioneer Pacific College in Eugene.

### ***Traditional Undergraduate Studies***

Northwest Christian College offers additional bachelor degree programs as part of a traditional curriculum. Most classes are offered during the day. Please see the Undergraduate Academic Catalog for further information.

### ***Graduate School***

In addition to undergraduate level coursework, Northwest Christian College offers three masters degree programs in business administration (MBA), school counseling, and professional counseling. Please see the Graduate School Catalog for further information about these programs.

### ***Academic Honors***

Graduating seniors with a cumulative GPA of 3.50 or higher are recommended by the faculty for graduation with appropriate academic honor, as follows:

- **Cum laude:** for students with 3.50-3.69 cumulative GPA.
- **Magna cum laude:** for students with 3.70-3.89 cumulative GPA.
- **Summa cum laude:** for students with 3.90-4.00 cumulative GPA.

#### ***Criteria for these academic honors are:***

1. All grades taken at Northwest Christian College and all transferable credits from other colleges are computed to determine the cumulative GPA for honors only.
2. All grades earned through completion of the degree will be computed.
3. To be considered for the honor, students must submit a transcript of courses taken elsewhere two weeks prior to graduation. Delayed reporting of the grades could result in the cancellation of the academic honor.

### ***Scholastic Awards for Graduating Seniors***

#### ***Victor P. Morris Memorial Award***

Each year the Victor P. Morris Award is presented to a graduating Professional Studies Program student considered by the faculty as the most outstanding on the basis of academic excellence and leadership. This award is given in honor of Dr. Victor P. Morris, who encouraged persons of all ages to complete college. He served many years as dean of the University of Oregon School of Business Administration (now Charles H. Lundquist College of Business). Dr. Morris also served with distinction as a member of the NCC Board of Trustees, and twice he served as the acting president of NCC.

The recipient of the Victor P. Morris Award will receive a copy of a current bestselling management book during the Commencement exercises. The recipient's name will also be added to a permanent plaque to be kept at the College.

#### ***Edward P. Kellenberger Library***

The Edward P. Kellenberger Library contains 74,000 cataloged books, journals, audiovisuals and microforms; and it receives over 265 journal subscriptions. The majority of the collection is on open stacks arranged by the Dewey Decimal Classification System. The Library's resources are extended through reciprocal borrowing agreements with the University of Oregon Knight Library and other regional libraries. Inter-library loan services provide further access to national and international resources.

The automated union catalog, OPALL, provides computerized access to over 500,000 items of seven consortium libraries, including Northwest Christian College, Corban College, Mt. Angel Abbey, Concordia University, Warner Pacific College, Multnomah School of the Bible, and Western Seminary. OPALL is accessible on campus as well as through the College web page at [www.nwcc.edu/library](http://www.nwcc.edu/library). A courier service ensures rapid resource sharing of materials among the consortium libraries and other libraries in Oregon and Washington.

Reference services include web access to the OPALL automated catalog for books and media with the ability to request library materials online for students and faculty. Access to online databases include EBSCOHost, Lexis-Nexis Academic Universe, and OCLC First Search. These online databases provide access to full text magazine and journal articles as well as other information for students and faculty on campus and off campus. The Kellenberger Library web page provides helpful user guides to research tools, links to other library automated catalogs, library policies, lists of newly purchased titles, faculty services, Friends of the Library membership, and much more information. Librarians conduct library instruction for classes and provide assistance for individual research.

Several special collections are located in the Library. Unique and valuable rare Bibles, incunabula, facsimile copies, early manuscripts and other rare books comprise the Rare Book and Bible Collection. A museum collection features African and Asian artifacts donated by missionaries as well as pioneer items. Materials on the early history of the Northwest and fine editions of printed books are in the Northwest and Turnbull Collections. The records and memorabilia of Northwest Christian College and its predecessor institutions dating from 1895 are located in the Archives. History of the Christian Churches in the Northwest is included in the Disciples Historical Collection. A unique hymnbook collection is also part of the special collections.

The library is an institutional member of the American Library Association, Association of College and Research Libraries, Northwest Association of Private Colleges and Universities, and Association of Christian Librarians.

### ***Technology on Campus***

#### ***Purpose***

The mission of the Information Systems (IS) Department is to serve the computing and communication needs of all faculty, staff, and students on campus in a Christian, professional and timely manner. The department is responsible for all communication and data networks and systems on campus, including telephones, data lines, servers, computer hardware and software.

The Media Center service provides media materials and equipment for classroom, special College-sponsored events, and individual instruction. Media includes video recordings, sound recordings, and other graphic materials. The videotape-recording laboratory offers learning opportunities for speech and music courses. The computer lab provides services to students for computer courses and is available for personal use. The computer lab also provides the campus with Internet access and e-mail.

### ***Access***

Students have access to the computer lab located on the second floor of the library as part of their tuition. The lab, which has 20 PC workstations, is open during the same hours as the library. In addition, students can obtain an e-mail account for use on campus. The computer classroom features a state-of-the-art data/video projection system and 20 PC workstations. The library has placed its entire inventory on an automated card catalog system and has links to numerous on-line reference sources that students can access for coursework.

The data network includes all buildings on campus and the residence halls, except the apartments. All classrooms are wired for Internet access.

### ***Student Records Policy***

Complete policies regarding student privacy and records can be viewed at <http://www.nwcc.edu/registrar/policies/ferpa.html>.

Students' rights regarding personal information include:

1. The right to view material in his/her records filed at Northwest Christian College, with the exception of those records for which there is a signed waiver of that right.
2. The right to limit access to personal records. Consent of the student must be given for release of any personal or academic records to persons other than Northwest Christian College faculty and staff having a legitimate official reason or under emergency circumstances.
3. The right to limit personal material (directory type information) printed in publications such as the Student Directory. Directory type information (the information that could be given out to whomever inquires) includes the following: student's full name, local and permanent address(es) and telephone number(s), e-mail address, date and place of birth, the fact that the student is or has been enrolled, dates of attendance, class level and academic major, number of credit hours (not grades), degrees and honors awarded, participation in officially recognized activities, heights and weights of members of athletic teams, photographs, and previous institutions attended.
4. A student who challenges any item in his/her records shall have opportunity for a hearing. A request for a hearing regarding academic records should be referred to the Registrar's Office. A request for a hearing regarding financial records should be referred to the Business Office.

### ***Nondiscriminatory Policy***

The policy of Northwest Christian College is to provide equal opportunity for all qualified persons in the educational programs and activities that the College operates. The College does not discriminate on the basis of race, color, national or ethnic origin, age, disability, sexual orientation, religion, marital status or any other protected status to the extent prohibited by applicable nondiscrimination laws in its admission policy, employment, scholarship and loan programs, educational, athletic, and other activities that it operates.

### ***Catalog Changes and Authority Policy***

Students whose studies are uninterrupted will graduate under the requirements listed in the Catalog in effect at the time of original admission. Since the College reserves the right to discontinue courses at any time, course substitutions may be assigned for discontinued courses. The College reserves the right to change fees, rules, and calendars regulating registration at, admission to, conduct in, instruction in, and graduation from the College. Changes go into effect whenever the proper authorities so determine and apply not only to prospective students but also to those who at that time are matriculated in the College.

# STUDENT FINANCES

## TUITION AND FEES FOR THE 2006-07 ACADEMIC YEAR

Students must sign a Financial Responsibility Agreement upon enrolling in their first semester at NCC. NCC charges are billed on a monthly basis and become immediately due. If a student is not able to pay his/her balance in full, he/she must enroll in one of three payment plans as indicated below.

- o Pay in full at the beginning of each semester.
- o The Business Office may approve on an individualized basis, an NCC payment plan. with a \$55 enrollment fee. No interest is charged, however a \$50 late fee will be charged per month if no payment is made.
- o Tuition Management Systems (TMS) offers an plan with a \$55 enrollment fee and \$50 late fee. Contact TMS at: [www.afford.com](http://www.afford.com).

### Deposits

An advanced tuition deposit is required for students admitted for the first time to the College and must be submitted by June 1. This deposit is held in the student's account and applied to his/her tuition expenses upon enrollment. An advanced tuition deposit is required in order to proceed with advanced class registration or housing arrangements. Full refunds are given for cancellations received in writing by the Admissions Office until June 1.

### Housing Deposit

All residents of campus housing must make an additional deposit of \$100 before receiving a housing assignment or participating in the food plan. This portion of the deposit, less fines, damage charges, and termination penalty, if applicable, will be refunded within 30 days of written notification of the dean of student development to students who are graduating or not returning to a College residence.

### Money on Account

Money sent to Northwest Christian College for student accounts will be disbursed as designated. Unless the Business Office receives written instructions to the contrary, the office will apply small amounts immediately and apply half of significant payments to Northwest Christian College accounts at the beginning of each semester.

### Tuition and Fees:

Additional cost to mail overnight - \$25 per address. Overseas overnight transcript request - \$50. Petition of the Academic Deadlines - \$20.

### Finance Charges

Outstanding balances are assessed a finance charge of 1.5% monthly (18% annual rate) computed on the balance at the end of the billing cycle.

### Kellenberger Library Fines

**Books and Media** - \$.50 per item per day. Lost or damaged items-cost to library to replace item plus \$5.00 service charge.

### Returned Check Charge

Returned checks subject to \$25 charge.

### ***Room Replacement Key Fees***

Master - \$100, Floor - \$50, Room/Apt - \$35.

### ***Housing Options***

Students in the Professional Studies Program have the option to reside on campus. Single and family housing is available, as is summer housing in both dormitories and apartments. Please consult the Undergraduate Catalog for further rates and information.

### ***Meal Options***

Students in the Professional Studies Program have the option to purchase meal plans. Please consult the associate dean of student development for further rates and information.

### ***Payment Discounts***

A 3% cash discount can apply for payment of full program received by the eighth day following the start of class.

Cash discounts include costs covered by financial aid if all other charges are paid in full by the day the financial aid loan is first applied to student accounts. No discounts are available for partial payments and discounts are forfeited if advances for off-campus expenses are later granted.

### ***Refund Policy***

Upon complete withdrawal or dismissal from the College, students, including veterans, receive a proportional refund for tuition. All student fees are nonrefundable, including but not limited to, vehicle permits, application fees, etc. A student must notify an appropriate school official prior to the 3rd class session in order to receive a full refund for an individual course. After the 3rd class session, no tuition refund is given.

All academic withdrawals must be processed in accordance with the policy of the College. Refunds are based on the date of initial contact made with an appropriate school official. Students who do not meet the financial conditions of the College can be administratively withdrawn from their courses at the discretion of the Business Office.

The first step of a complete withdrawal is to contact the dean of the program to perform an exit interview and sign the withdrawal form. The form is then given to the Business Office to be processed. If students fail to contact the dean and perform the appropriate withdrawal steps, the student may be charged a fee of \$100.

### ***Refund of Residence Hall Room and Board***

Refer to the residence hall contract for refund policy. The vice president for student development will set any termination penalties required by the contract.

### ***Account Collections***

If Northwest Christian College needs to pursue collection efforts, reasonable attorney fees and collection costs can be added to the account whether or not an action is filed. If an action is filed, the prevailing party shall be entitled to recover attorney fees and court cost. The official transcript remains the property of Northwest Christian College and cannot be issued until all amounts owed the College, including accounts receivable, notes, loans, and other amounts, are paid in full.

## **FINANCIAL AID PROCESS**

The Financial Aid Office is committed to helping students who wish to attend Northwest Christian College but who may not be able to meet all the expenses from personal and family income. Northwest Christian College provides a full range of grants, student employment and education loans to help those who qualify. In addition, the Financial Aid Office provides financial aid counseling to students and their families to guide them through the process of applying for and receiving financial aid. Our goal is to provide the service and financing resources needed to enable deserving students to attend Northwest Christian College.

Financial aid may be grouped into the two broad categories of need-based and non-need aid. All federal and state student aid is based on financial need with the exception of a few federal student loan programs.

### ***Federal Methodology Need Analysis***

1. Many factors are considered, including
  - income of student and custodial parent(s) (if dependent)
  - number of family members
  - number of family members in college at least half-time (excludes parents)
  - age of the oldest parent (to protect savings for retirement)
  - assets (checking, savings, investments, real estate equity [excluding home], business or farm equity)
2. Home equity programs and accumulated retirement accounts are NOT used in calculating need.

### ***Financial Aid Equation***

Cost of Attendance (COA) minus Expected Family Contribution (EFC) = Estimated Need

### ***Application Procedure***

To apply for financial aid the student must:

1. Complete the Free Application for Federal Student Aid (FAFSA) and submit it to the U.S. Department of Education. Northwest Christian College and the federal school code 003208 should be listed in Step 6. The FAFSA is available in both a paper version or online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).  
**Note to late income tax filers:** Many of the questions on the FAFSA require income tax information from the most recent year. If taxes have not been filed at the time the FAFSA is to be submitted, use estimated data or most recent tax information available.
2. Apply for admission. Students must be accepted for admission to Northwest Christian College before a comprehensive financial aid package can be determined.
3. If selected for verification by the federal processor, provide additional information as requested to Financial Aid Office (see Verification Process).
4. Review for accuracy the Student Aid Report sent from the federal processor to the student after submission of the FAFSA. The Financial Aid Office receives a similar report, at the same time, which is used to calculate the student's financial need and eligibility for need-based aid.

***Students must complete and submit a FAFSA for each academic year. Eligibility and level of need are recalculated each year by federal standards.***

All financial aid awards cover a period of one academic year (or what remains of the academic year if the student is awarded mid-year). The process of applying for financial aid, including submission of a FAFSA, is repeated each academic year for which the student seeks aid. Financial aid awards are packaged each year on the basis of current data on a first-come, first-served basis to all eligible applicants.

### ***Online FAFSA***

Students may apply for financial aid online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Simple instructions guide the student in preparing and transmitting the Free Application for Federal Student Aid (FAFSA) directly to the federal processor. Online transmission is secure and significantly reduces errors and processing time. By registering for a PIN the student and parent(s) may also sign and update applications electronically. A PIN further provides access to various Department of Education web sites that allow the student to view the status of their financial aid application or a summary of their financial aid history. A PIN may be requested at [www.pin.ed.gov](http://www.pin.ed.gov).

Electronic transmittal of information may expedite other steps in the financial aid application process, as well. For convenience, the admission application may be submitted via the Internet at [www.nwcc.edu](http://www.nwcc.edu). A downloadable version of the Verification Worksheet is also available on the Northwest Christian College web site.

### ***Verification Process***

The U.S. Department of Education requires additional information from some FAFSA filers, including a completed Verification Worksheet, copies of W-2's and federal tax returns. If required, the Financial Aid Office will notify the student and request the information needed.

Federal regulations require the Financial Aid Office to review this information before awarding the student's financial aid. If verification documents contradict information on the FAFSA, the student may be required to make appropriate corrections on her/his Student Aid Report (SAR) and return it to the federal processor. Final determination of eligibility and financial aid awards must await completion of the verification process.

### ***Fraud and Misrepresentation***

Students or parent/guardians suspected of supplying false or misleading information in connection with the financial aid application may be reported to the U.S. Department of Education. Before such action is taken, however, the Financial Aid Office contacts the student to allow him/her an opportunity to explain and/or correct questionable information. If fraud or misrepresentation is still evident after such attempts, the Financial Aid Office refers the application to the U.S. Department of Education. No financial aid is awarded until the matter is satisfactorily resolved.

### ***Updating***

Although a student's FAFSA may not be selected for verification, she/he is still responsible for advising the Financial Aid Office of any errors or changes in the information supplied on the FAFSA. For instance, if the FAFSA shows that two family members will be attending college, but only one actually enrolls, the student is required to inform the Financial Aid Office of this change.

### ***Unusual Circumstances***

Financial aid guidelines allow for some adjustment in aid to be made in instances when unusual or extreme circumstances are not adequately taken into account through the routine financial aid application. Cases involving death, divorce, loss of job or major medical expenses may need to be assessed by a financial aid officer to determine the impact on a student's need and her/his family's ability to contribute to education expenses. Any hardship must be of at least two months' duration before it can be presented for evaluation. Sufficient documentation and justification are required before an adjustment in the student's aid may be allowed.

### ***Independent vs. Dependent Status***

Students who are dependent are evaluated for aid using both the parents' and the student's financial information on the FAFSA. (If parents are divorced only the custodial parent's information is used; if the custodial parent is remarried then stepparent information is also considered.) Parent financial information is not used in figuring financial aid for students who are independent.

A student is considered independent only if they meet one of the following criteria:

- 24 years of age
- married
- graduate student
- veteran of the US Armed Services
- have children who are legal dependents
- Ward of the Court
- Special and unusual home circumstances

The fact that an otherwise dependent student lives away from his/her parents and/or is self-supporting does not make that student independent. A student who is dependent is required to provide data from her/his parents on the FAFSA regardless of whether their parents intend to help financially.

### ***Student Eligibility Requirements***

The following is an extensive, though by no means exhaustive, list of various requirements that a student must meet in order to be eligible for state and federal aid.

To be eligible for federal aid a student must:

1. be a U.S. citizen or an eligible non-citizen.
2. have either 1) a high school diploma or its equivalent, or 2) proof of the "ability to benefit" by passing a test approved by the U.S. Dept. of Education.
3. attend an approved school participating in a state process for determining academic qualifications.
4. be accepted for admission.
5. maintain satisfactory academic progress toward degree requirements (see Satisfactory Academic Progress).
6. have a valid social security number.
7. register with the Selective Service or document an exemption (males only).
8. not be currently in default on a federal education loan.
9. not owe for receipt of an overpayment of a federal grant.

Students convicted of possessing or selling illegal drugs may not be eligible for federal aid, depending on when the conviction occurred. They can regain their eligibility early by completing a drug rehabilitation program. More information is available from the Federal Aid Student Information Center at 800-433-3243.

### ***Satisfactory Academic Progress***

In order to remain eligible for financial aid students are required to maintain "satisfactory academic progress." The conditions for maintaining progress entail completing a sufficient number of credits semester-by-semester and achieving a 2.00 minimum cumulative grade point average at all times. The Financial Aid Office checks each student's academic progress at the time aid is awarded (with the exception of entering freshmen) and at the end of spring semester. A letter notifies the student if he/she fails to maintain satisfactory academic progress.

The requirements for satisfactory academic progress ensure that students who receive aid are adequately meeting academic standards and are proceeding toward an educational goal (degree, certificate) in a reasonable timeframe. Standards are established for the minimum number of credits to be taken and earned semester-by-semester, the total number of attempted credits allowed for completing a program of study, and the quality of performance that must be maintained.

The maximum number of credits for which a student may receive financial aid is 150% of the credits normally required to earn a degree or program of study. A student who has declared his/her intention to pursue a baccalaureate degree of 124 semester credits may receive financial aid for a maximum of 186 attempted semester credits. Part-time students have the same total number of allowable credits but have a longer timeframe over which to extend enrollment (slower pace) commensurate with their enrollment status. (See Credit Requirements and Enrollment Status.)

All credits attempted at Northwest Christian College, including up to 30 semester credits of pre-approved remedial courses, and credits transferred from other institutions are counted toward the maximum number of credits allowed, whether or not the student received financial aid funds. The Financial Aid Appeals Committee may make exceptions to limits on total credits and time frame for receiving aid because of extenuating circumstances.

### ***Required Grade Point Average***

To meet the standards of satisfactory academic progress, a student is expected to maintain a cumulative GPA of 2.00 or better at all times. For the purpose of figuring financial aid eligibility, courses taken through consortium institutions are computed in the cumulative GPA. Graduate students are required to maintain a cumulative GPA of 3.00.

### ***Credit Requirements and Enrollment Status***

To receive financial aid, an undergraduate student is expected to complete a minimum number of attempted credits each academic year according to the following schedule:

<u>Status Per Semester</u>	<u>Attempted Per Year</u>	<u>Progress Per Year</u>
Full-time	24+ credits	21 credits
3/4 time	18-23 credits	15 credits
1/2 time	12-17 credits	9 credits

**Note:** An adjustment will be made to Attempted and Progress credit requirements for students who only attend one semester during the academic year.

### ***Enrollment Status for Consortium Courses***

Enrollment requirements may be met by courses taken at an institution with which Northwest Christian College has a consortium agreement. Such courses may count toward course load requirements only if the student obtains written prior approval both from the dean of the respective school and the student's academic advisor and submits evidence of enrollment. At the end of the semester, the student is also responsible for submitting her/his grade report from the consortium school(s) to the Registrar's Office to ascertain satisfactory academic progress. Financial aid for consortium courses is acquired by applying for aid through Northwest Christian College. (See Consortium Courses for a list of participating institutions.)

### ***Enrollment Status for Credit by Examination***

For the purpose of financial aid eligibility, college credits granted for credit-by-examination programs (i.e., Advanced Placement [AP], College Level Examination Program [CLEP], International Baccalaureate and course challenge) are not used in determining enrollment status (part-time, full-time). Such credits do not count toward the minimum number of credits required for each semester nor to the total credits allowed for receiving financial aid.

### ***Financial Aid Disqualification***

A full-time student who fails to attain a 2.00 cumulative GPA or who fails to complete at least twenty-one credits for the semester (or a proportionate number for part-time students; see chart under Credit Requirements and Enrollment Status) is ineligible for further financial aid. The student is notified in writing of the disqualification and the requirements for reinstatement.

### ***Appeal Process for Reinstatement of Eligibility***

Students who otherwise would lose financial aid eligibility may appeal to the Financial Aid Appeals Committee in order to:

1. Challenge administrative error from miscalculation of credits completed or GPA attained.
2. Account for incompletes and describe arrangements to make-up credit.
3. Explain extenuating circumstances such as medical problems, family emergencies, learning disability, remedial work requirement, or other unusual or mitigating factors.

An appeal must be submitted in writing to the Financial Aid Appeals Committee and should state the reason(s) for not meeting minimum eligibility requirements during the year in question. The letter should also discuss a plan for correcting the problem(s) and meeting satisfactory standards. Any arrangements made with professors to finish coursework or to make up credits should be specified.

If the appeal is approved, the student is granted an additional semester of financial aid probation. The terms and conditions for continued probation and achieving satisfactory academic progress are indicated in a written response to the student. If the appeal is denied, the student remains disqualified until such time as requirements for reinstatement are met.

It is the responsibility of the student to initiate an appeal and to do so in a time frame that allows an adequate opportunity for review prior to the beginning of the semester. Without an appeal, disqualification will occur automatically in accordance with our policies and regulations. Unless advised differently, the Financial Aid Office assumes that the student has decided to forego an appeal and accept loss of aid eligibility and disbursements.

### ***Reinstatement of Financial Aid Eligibility***

A student who is disqualified from receiving financial aid for failure to maintain a 2.00 cumulative GPA is not eligible for aid again until such time as he/she raises the cumulative GPA to 2.00. Likewise, if a student is disqualified from aid for failure to complete the required number of credits, she/he is not eligible until one semester has been completed with the minimum required number of credits. Once reinstated the student is again eligible for financial aid during the next semester of enrollment.

Courses to raise the GPA or to complete the required number of credits may be taken at Northwest Christian College or at another institution from which credits are transferred. Completion of a prior Incomplete does not count toward the credits needed for reinstatement. Aid eligibility, once restored, is not retroactive.

Regardless of whether credits are completed with or without financial aid or whether they are completed at Northwest Christian College or at another college, all are counted equally toward the limits established for financial aid eligibility (124 credits). All courses taken at NCC, including those completed without financial aid, are counted in the student's cumulative GPA.

### ***Repeated Courses***

A student may receive financial aid for any class that must be repeated in order to meet graduation requirements or for any class in which he/she is attempting to replace a grade lower than a D. Credits for repeated courses count toward the maximum aggregate number of aid-eligible attempted credits.

### ***Course Withdrawals***

A course from which the student withdraws is not counted toward the minimum number of completed credits required to maintain satisfactory academic progress. If by withdrawing from the course, the student does not complete the number of credits for her/his enrollment status, the student is NOT required to increase the course load in subsequent semesters to make up for the deficiency. Each course attempted by the student, including withdrawals for which no academic credit is received, are counted against the credit hour ceiling placed on aid benefits. With repeated withdrawals, aid eligibility may be expended before the student completes her/his degree. Courses dropped within the "add/drop" period are not considered withdrawals.

### ***Post-Baccalaureate Students***

Students who possess a bachelor's degree are not eligible for federal, state aid, or College-funded grants. By submitting a FAFSA, post-baccalaureate students are eligible to be considered for the Federal Stafford Loan program provided they have not reached the aggregate loan limit for undergraduate students. Post-baccalaureate students may also qualify for Federal Work Study depending on demonstrated need and the availability of funding and positions.

### ***Off-Campus Courses***

Full-time, degree-seeking students at Northwest Christian College may receive federal and state aid for courses taken at institutions with which consortium agreements have been established. Cooperating institutions include Lane Community College, the University of Oregon, and Umpqua Community College. A consortium arrangement is also in place with the Council for Christian Colleges and Universities (CCCU) to enable students to participate in study abroad opportunities sponsored or endorsed by CCCU. To qualify for aid, consortium credits must be for coursework not available at Northwest Christian College (excluding study abroad), apply toward the student's degree requirements and be pre-approved both by the vice president for academic affairs and the student's faculty advisor.

Signatures of the advisor and vice president for academic affairs signifying their approval of consortium courses are collected on an Academic Petition form available from the Registrar's Office. A copy of the schedule and billing for courses taken at the other school must be submitted with the Academic Petition before financial aid can be disbursed.

### ***Online Courses***

The student is eligible to receive financial assistance for online courses offered by Northwest Christian College only if such coursework is part of a program that leads to a recognized one-year or longer certificate program or an associate, bachelor's or graduate degree from Northwest Christian College.

## **THE FINANCIAL AID AWARD**

Once the financial aid application is completed, the Financial Aid Office determines the student's financial aid package. An electronic award is posted online itemizing both the type(s) and amount(s) of aid being offered. Private education loans, federal parent loans, and outside scholarships are not routinely included on the initial award and may be added later. The student is asked to review the award and indicate his/her acceptance by completing the online process and submitting the award to the Financial Aid Office within 30 days. Funds are then reserved for the student pending enrollment.

### ***Financial Aid Budget***

Each year the Financial Aid Office computes an average comprehensive student budget for attending the College, also called the Cost of Attendance. This budget includes both billable expenses such as tuition, books, room and board, and non-billable expenses, such as personal expenses and transportation.

The following five components are important in determining a student's financial aid award:

- A. **COST OF ATTENDANCE (COA)**  
Comprehensive budget based on cost of tuition, housing, food, books, transportation and personal living expenses.
- B. **EXPECTED FAMILY CONTRIBUTION (EFC)**  
The amount of financial support expected from the student and his/her family according to the federal processor's analysis of data provided on the FAFSA.
- C. **ESTIMATED NEED**  
The difference between the total cost of the student's education (Cost of Attendance) and his/her Expected Family Contribution (EFC).  $COA - EFC = \text{Estimated Need}$ .
- D. **AWARDED FUNDS**  
The total of all financial aid awarded from federal, state and Northwest Christian College sources.
- E. **REMAINING NEED**  
Even after all funds are awarded, some need may not be met. Alternate sources of aid may be explored to cover remaining need such as education loans from private lenders, federal loans for parents of college students, tax credits, and scholarships from outside sources.

### ***Disbursing Financial Aid***

With the exception of Work-Study, all aid is applied to the student's account shortly after the semester's two-week add/drop period. The total aid awarded for the year is divided equally between each semester of enrollment. For example, if aid is awarded for a full academic year of two semesters, an equal portion of the aid is applied to the student's account fall and spring semesters. If a student is a first-time borrower at Northwest Christian College, loan funds are applied to his/her account only after reviewing the terms of the loan with a financial aid officer and signing a promissory note. If aid exceeds school charges (tuition, fees, room and board, outstanding balances), the student is issued a check from the Business Office for the credit balance. In order to receive the full allotment of aid for a given semester, the student must enroll in at least 12 credits. Fewer than 12 credits decreases enrollment to part-time and usually necessitates a reduction in the student's aid.

### ***Receiving Work-Study Funds***

Work-Study offered as part of a financial aid package requires the student to pursue placement in one of the College's part-time positions on or off campus. The total number of Work-Study positions is limited and employment cannot be guaranteed. The amount of Work-Study shown on the financial aid award is a projection of earnings possible if the student works his/her full allotment of hours. However, funds are not applied to the student's account until hours are worked and wages are earned. Earnings are based on Oregon minimum wage and work schedules that vary from 6 - 11 hours per week during fall and spring semesters.

### ***Receiving Student Loan Funds***

Students eligible for federally insured Stafford education loans must select a lender to provide their funds. With Perkins Loans, Northwest Christian College is the lender. First-time borrowers at Northwest Christian College must receive loan entrance counseling and sign a loan contract (promissory note) before funds are disbursed. These requirements ensure that the student understands important details about the loan and his/her responsibilities as a borrower. Promissory notes and loan entrance counseling are provided to the student when they arrive on campus for classes or may be completed online in conjunction with receipt of their electronic award.

PLUS loans for parents of undergraduate students have similar requirements before loan proceeds may be released. Parents who qualify for a PLUS loan must sign a promissory note as an initial borrower. A disclosure statement is sent to the parent(s) informing them of important details about the loan. In most cases, loan funds are electronically transferred by the lender to the Financial Aid Office to be applied to the student's account in the Business Office.

### ***Withdrawal and Recalculation of Financial Aid***

If a student who withdraws from school during an academic semester (after the add/drop period, but before the semester ends), they or the school may be required to return or repay all or a portion of the financial aid they received, depending on the date of withdrawal.

The withdrawal date is defined as one of the following in order of preference:

1. the actual date the student starts the withdrawal procedure
2. the last recorded date of student attendance
3. the midpoint of the semester if the student leaves without notifying the College.

After 60% of the semester has elapsed, no funds are returned and all awarded aid for the semester is earned (retained). The following equation determines the portion of financial aid that must be returned if the student withdraws from school before completion of a semester.

### **Number of Semester Days Remaining as of Withdrawal Date ÷ Total Days in Semester = Percent of Aid Returned**

If the student withdraws from the College, charges for tuition, campus housing and food service are assessed in proportion to the number of days completed out of the total number of days in the semester. After 60% of the semester has elapsed, charges are no longer prorated and are assessed at 100%.

### **Number of Semester Days Elapsed as of Withdrawal Date ÷ Total Days in the Semester = Proportion of Northwest Christian College Charges Assessed**

What remains of the student's aid after returning the required portion must first be used to pay charges at the College and then is refunded to the student if there is any surplus. The student is responsible for paying any balance due if the remaining aid does not cover Northwest Christian College charges for the semester.

## **FINANCIAL AID PROGRAMS**

Northwest Christian College offers a variety of federal aid programs to students enrolled in the Professional Studies program including grants, work opportunities, and loans to those who qualify. Many aid programs come from the federal government, primarily through the U.S. Department of Education. All aid is awarded solely on the basis of need and requires submission of a Free Application for Federal Student Aid (FAFSA).

### **GRANTS**

Grants are free money for college that do not require repayment. Most are based on need and require submission of a FAFSA.

#### ***Pell Grant***

The country's largest grant program for undergraduate students without a bachelor's or professional degree. Pell Grants are funded by the federal government, who also sets the level of need required to qualify. The award levels are set by the federal government each year. Pell Grants for PSP students currently range from \$400 to \$4,050 per year. Prorated Pell Grants are available to students enrolled less than full-time.

#### ***Federal Supplemental Educational Opportunity Grant (SEOG)***

These grants are awarded to Pell Grant recipients with exceptional need. The College awards these grants of up to \$1,000 from an allotment of funds provided each year from the federal government. Funding is limited.

#### ***Oregon State Opportunity Grant***

Oregon residents who meet established criteria for family income qualify for this grant. The funding and grant amount are determined by the State each biennium. In 2005-2006 the award is \$2,942 for students attending Northwest Christian College. Students must file a FAFSA to be eligible. Students enrolled in a course of study leading to a degree in theology, divinity or religious education are not eligible.

### **WORK OPPORTUNITIES**

Northwest Christian College offers limited opportunities for part-time employment to qualified students as part of their financial assistance. These jobs are offered through the Federal Work-Study program. Students are paid Oregon's minimum wage, may work up to eleven hours per week and earn up to \$2,550 a year during fall and spring (August - May).

### **LOANS**

Northwest Christian College participates in two major federal programs for education: the Federal Family Education Loan (FFEL) program and the Perkins Loan program. Both programs provide low-interest loans with favorable repayment terms. The vast majority of financial aid awards from Northwest Christian College include one or more federal education loans. Most students choose to accept such loans to help finance their education. Private alternative loans are also available to help students and their parents pay for college expenses. Northwest Christian College does not routinely include alternative loans in the student's initial financial aid package. However, alternative loans may be added if more assistance is needed after exhausting federal, state, College and private student aid opportunities.

#### ***Federal Family Education Loans (FFEL)***

Loans provided through the FFEL Program are made by banks, savings and loans, and credit unions, backed by the federal government, and guaranteed by guaranty agencies. Through the FFEL Program the federal government offers Stafford Loans for students and PLUS loans for parents.

## **Stafford Loans**

The Stafford Loan Program is the largest student loan program in the nation. There are two types of Stafford Loans: subsidized, for which the government pays the interest while students are in school and during the grace and deferment periods; and unsubsidized, where students pay all the interest on the loan. Students may receive both types at the same time.

The interest rate on new Stafford Loans is fixed at 6.8 percent. Origination and insurance fees of up to 4 percent may be deducted from each disbursement. Contact the Financial Aid Office for current information on interest rates, origination and insurance fees.

Generally, repayment begins six months after the student graduates, withdraws from school or drops below half-time. This six-month period is referred to as the “grace” period. No repayment on the principle is required while the student attends school at least half-time or during grace or deferment periods. Borrowers typically have up to 10 years to repay their loans.

### **Subsidized Stafford Loan**

Subsidized Stafford Loans are awarded on the basis of demonstrated financial need. The federal government pays the interest on loans while the student is in college and during grace and deferment periods. To qualify, students must submit a FAFSA and meet all the requirements for federal student financial aid.

### **Unsubsidized Stafford Loan**

Unsubsidized Stafford Loans are not based on financial need and are available to all students, regardless of income or assets. The student is responsible for paying all the interest on the loan, but can choose to allow it to accumulate while in college and during the grace period. To qualify, students must meet the same requirements as those for a subsidized Stafford Loan, except for demonstrating financial need.

### **Additional Unsubsidized Stafford Loan**

Additional unsubsidized Stafford Loans are available to independent students to help cover unmet need or replace some of the expected family contribution (EFC). They are also available to dependent students whose parents’ PLUS loan application is denied. Interest and repayment conditions are the same as for the Unsubsidized Stafford Loan (above). Additional unsubsidized Stafford Loans may be added to an existing subsidized or unsubsidized Stafford Loan.

## **FEDERAL STAFFORD LOAN LIMIT**

<b>Academic Year</b>	<i>Dependent*</i>	<i>Independent Student</i>		<i>Maximum</i>
	Student Sub & Unsub	Sub & Unsub	Additional Unsubsidized	Subsidized & Unsubsidized
<b>First-year</b>	\$2,625	\$2,625	\$4,000	\$6,625
<b>Sophomore</b>	\$3,500	\$3,500	\$4,000	\$7,500
<b>Junior &amp; Remaining Years</b>	\$5,500	\$5,500	\$5,000	\$10,500
<b>Graduate Professional</b>	—	\$8,500	\$10,000	\$18,500
<b>Aggregate Limit</b>				
Dependent Undergrad	\$23,000	—	—	\$23,000
Independent Undergrad	—	\$23,000	\$23,000	\$46,000
Graduate Professional	—	\$65,500	—	\$138,500

\*Dependent students whose parents are unable to obtain a PLUS loan may borrow the same amount in unsubsidized loans as independent students.

## **PLUS Loans**

PLUS loans are available to parents or stepparents of dependent undergraduate students. These loans are not based on need nor are they restricted by family income. Creditworthiness of the parent(s) is a determining factor. Parents may borrow up to the total cost of their dependent student’s education, minus other financial aid the student has received. PLUS loans may be a supplemental source of money for parents whose dependents have a Stafford Loan.

PLUS loans carry a fixed interest rate of 8.5 percent. Interest begins to accrue from the date loan funds are first disbursed. Origination and insurance fees of up to 4 percent may be deducted. Generally repayment typically starts within 60 days of the loan’s final disbursement for the school year (no grace period), but some lenders offer an option to delay repayment until after the student leaves school.

To qualify, parents must meet the eligibility requirements for federal financial aid and must pass a credit check. Only parents of dependent students are eligible to apply. Generally, parents must not have any outstanding tax liens or judgments, delinquent or defaulted loan or credit card debt, or any bankruptcy, foreclosure or wage garnishment within the past five years.

If parents do not pass the credit check, they may still receive a PLUS loan if they can find a qualified co-signer. Dependent students whose parents do not qualify for a PLUS loan are eligible to substitute an additional unsubsidized Stafford Loan in its place. This type of aid requires the student or parent to specifically initiate the application process. PLUS loan forms and assistance with the application are available in the Financial Aid Office.

### ***Perkins Loans***

These loans are for students with exceptional need and funding is very limited. The College receives an allotment of funds from the federal government to award to students. The College assumes the role of the lender for these loans. No interest accrues while the student is enrolled at least half-time. Repayment begins nine months after the student graduates, leaves school or drops below half-time enrollment. The interest rate at repayment is a fixed 5 percent.

### ***Alternative Loans***

In addition to the federal loan programs described above, many private lending institutions (e.g. Citibank, Sallie Mae, Wells Fargo, etc.) offer loan programs to help students pay for college. These loans may be used by students and their families to close the gap between total education expenses and financial aid. Private education loans are credit based and the rates and conditions vary with each bank. Northwest Christian College does not include such loans in a student's initial financial aid package.

### ***Veterans and their Dependents***

The Montgomery G.I. Bill provides educational benefits for participating individuals who served on active duty or in the Selective Reserves. Benefits are also available under the post-Vietnam era Veterans Educational Assistance Program for those who entered the service after December 31, 1976, and before July 1, 1985, and contributed to the VEAP fund while on active duty or had contributions made for them by the military.

Service-disabled veterans may be eligible for vocational rehabilitation benefits from the U.S. Department of Veterans Affairs. Educational benefits are also available to veterans' dependents if the veteran (spouse or parent) has died, or was totally and permanently disabled in service, or is listed as missing in action. There is also a Veterans Work-Study and Tutorial Assistance Program. For more information, contact the local office of the U.S. Department of Veterans Affairs (in the phone book under U.S. Government Offices), call toll free 888.444.4551, or go to [www.gibill.va.gov](http://www.gibill.va.gov).

### ***Native Americans***

Students who are members or close descendants of a federally recognized American Indian tribe or nation may be eligible for grants from the Federal Bureau of Indian Affairs, Office of Indian Education Programs. Students may learn more by contacting their regional Bureau of Indian Affairs or by going to [www.oiep.bia.edu](http://www.oiep.bia.edu).

### ***Federal Tax Benefits***

The Taxpayer Relief Act of 1997 provided new tax credits for individuals who are paying higher education costs for themselves or for family members. There are also specific benefits related to interest paid on student loans and educational and traditional IRAs. To learn more about federal tax benefits for education, visit [www.irs.gov](http://www.irs.gov), call the IRS help line at 800.829.1040, or read IRS publication 970, "Tax Benefits for Higher Education," available free by calling 800.829.3676.

### ***Education Costs Paid by Employers***

Education costs paid by an employer are exempt from federal taxes for undergraduate students. Employers can provide for up to \$5250 per year to each employee on a tax-free basis.

### ***Private Scholarships***

Many community service organizations, churches, and national foundations offer scholarships. Some are based on financial need, but many others are based on academic achievement, leadership ability, special talents, community service, or heritage. Extensive databases of private financial aid resources and scholarships may be found on the Internet at such dot coms as FastWeb, FastAid, Wirescholar, CollegeQuest, and Mach25. Many businesses and corporations also provide scholarships or loans to employees' children or students who live in the communities in which the company is located. Others offer aid to students majoring in fields related to the company's products or services. Company personnel offices have application information. In addition, students are encouraged to check in the Business Office, library and on-line World Wide Web for scholarships offered by professional, career, and trade associations in their future career or field of study. Leads also may be listed in magazines related to the student's interests or skills. Scholarships and grants may be available through the student's church, school, local civic organizations (Kiwanis, Lions, Rotary, etc.) and bank trust department.

### ***Questions***

Please do not hesitate to contact the Financial Aid Office. Call toll-free at 877-463-6622, extension 291 or local (541) 684-7291. Many questions may be answered over the phone. We are happy to arrange appointments for students and their families to meet with a financial aid counselor. E-mail questions may be sent to [finaid@nwcc.edu](mailto:finaid@nwcc.edu). The Financial Aid Office is located in the Martha Goodrich Administration Building at the corner of 11th & Alder. Office hours are 8 a.m. to 5 p.m. Monday through Friday and by appointment.

# ***ACADEMIC POLICIES***

**NOTE:** Students are subject to academic requirements and academic policies described in the College Catalog as well as to other published academic rules and regulations in effect at the time of their initial admission or readmission to Northwest Christian College. When significant changes are adopted in the academic policies and requirements after their admission, students have the option of completing their degree under either the old or the new requirements within the degree time limit.

## ***Academic Progress***

### ***Academic Disqualification***

A student whose academic performance falls below minimum standards of the College is academically disqualified. Such a student may petition the Academic Council for reconsideration. As a basis for this petition the student must present evidence of acceptable work in another college or experience in work that demonstrates maturity.

### ***Academic Grievance Policy***

Please refer to the on-line Student Handbook for information on the current grievance policy located at [www.nwcc.edu/studentdev/handbook.pdf](http://www.nwcc.edu/studentdev/handbook.pdf).

### ***Academic Probation Regulations***

Students on academic probation and those admitted conditionally are required to complete the College's current academic skills development program. Failure to do so may result in academic disqualification. Students are not allowed to carry more than 12-13 credits while on academic probation.

1. The minimum cumulative grade point average (GPA) required for graduation at Northwest Christian College is 2.00.
2. A student whose semester GPA falls below a 2.00, but whose cumulative GPA remains equal to or above a 2.00, is placed on academic warning for the subsequent semester.
3. A student whose cumulative GPA falls below a 2.00 is eligible to continue on academic probation for one semester. During this semester, the student must raise his or her semester GPA to 2.00 while taking a full load.
4. A student on academic probation may achieve satisfactory academic standing and be removed from probation by raising his/her cumulative GPA to 2.00 or above.
5. A student receiving veteran educational benefits may remain on academic probation only one semester to continue receiving the benefits. The student's semester and cumulative GPA must be a minimum 2.00 by the end of the semester of probation if the student has not met the requirements of probation if the benefits are to continue. The Veteran's Administration will be notified if the student has not met the requirement of probation except under extenuating circumstances.
6. A student is academically disqualified after two consecutive academic probations.

A student may also be academically disqualified when the Dean's Council has determined that he or she can no longer benefit or succeed academically at Northwest Christian College.

### ***Academic Tutoring***

Northwest Christian College seeks to help its students succeed academically. Toward this end, the College provides tutorial services, free of charge, to those who need assistance academically. Students on academic probation as well as new students admitted conditionally are required to interact with an assigned academic advisor.

### ***Class Attendance Policies***

Attendance is mandatory for student success in the coursework and the personal and small group relationships facilitated in the class sessions because the Professional Studies Program is accelerated. In the course of the program, however, there may be a few unavoidable absences. These absences must be arranged with the module professor, preferably before class meets. If the absence is unavoidable, and the module professor is informed, the following guideline applies:

The maximum number of class meetings that can be missed for a module is two. Students are discouraged from missing any class meetings. Since attendance and class participation are part of each module's grades, any absences may affect students' final grade for that module. If more than two meetings are missed, students are either administratively dropped or failed, and must repeat the module at full tuition. Whether a student is dropped or failed depends on individual circumstances, the recommendation of the appropriate faculty member, and the decision of the chair of the Professional Studies Program.

The faculty member will record attendance at each class session. Attendance records must be submitted with the instructor's signature to the Professional Studies Program office after each class session. Attendance records are essential to comply with regulations established by the Veteran's Administration and Health and Human Relations for recipients of V.A. benefits or Federally Insured Student Loans.

### ***Time Limit***

The time limit for completing the PSP program is three years from the start of matriculation. When the time limit has elapsed, the student must apply for readmission. Readmitted students are subject to academic requirements and policies in effect at the time of readmission. (For details regarding readmission, consult the director of admissions.)

### ***Writing Competency Requirement***

Northwest Christian College requires two (2) semester hours of English composition, to be satisfied by coursework (with a grade of C- or P or better), or through established exemption and waiver procedures. In the case of coursework, the student must pass two semesters of English Composition (WR 121) or the approved equivalent.

### ***Course/Credit Policies***

#### ***Course Designations***

The course number indicates the difficulty of the course in relation to lower division and upper division work.

50-99: Remedial Courses which do not apply toward degree requirements.

100-299: Lower division courses.

300-499: Upper division courses.

500-599: Courses open primarily to graduate students.

600-699: Courses open only to graduate students.

The capital letters preceding the course number indicate the area in which the course is offered. In some instances a single course may be counted as fulfilling the requirement in one or the other of two fields.

As a rule, students should enroll in courses according to their classification. Exception may be made with the consent of the instructor. Persons responsible for academic advising will help the students develop their program according to the rules under general practice.

### ***Grading and Exam Policies***

#### ***Dishonesty (Academic) and Plagiarism***

Northwest Christian College seeks to promote academic honesty within the College community. Such honesty is fundamental to the principles of the Christian tradition and education. To foster among the students a spirit of honest intellectual inquiry, the following practices are unacceptable:

1. Cheating in its various forms, whether copying another student's work, allowing your own work to be copied, using unauthorized aids on an examination, fabricating lab or research data, or submitting as your own another person's work.
2. Denying other students access to academic information whether in the classroom, laboratory, or library.
3. Destroying, altering, or tampering with other students' work to impede their academic progress.
4. Plagiarizing is presenting as your own the words or ideas of another person. Students who plagiarize frequently do so unknowingly. As a guard against plagiarism, learn how to document your sources.

For paraphrasing or using direct quotes, see *The Publication Manual of the American Psychological Association* (5th ed.). In the management program, students should use the APA style for documenting sources.

Students who knowingly violate the principles of academic honesty will be subjected to disciplinary action. Depending on the nature of the offense, the student's grade or credit earned may be affected. In serious cases, the student may be suspended or expelled. Please note, Northwest Christian College is more concerned with promoting academic honesty than punishing academic dishonesty.

#### ***Grade System and Grade Point Average***

The plus sign increases the points assigned the letter grade by 0.3 per credit (for B, C, and D grades only), and the minus sign decreases the points assigned the letter grade by 0.3 per credit.

The module instructor is required to turn in course grades one week after the last session. Therefore, the instructor has the option to grant additional time, up to 5 days, for completion of course requirements without an "Incomplete" grade. Students will receive an "Incomplete" grade even if additional time beyond the due date for course grades has been negotiated with the instructor.

Grades at Northwest Christian College reflect the following definitions:

- |          |   |  |
|----------|---|--|
| <b>A</b> | 4 | <b>Excellent</b> ; indicates a student has grasped the subject matter and has made it his or her own by thinking about it and reacting upon it. It represents not only industry, thoroughness, and correctness of detail, but also originality, and a high degree of insight.  |
| <b>B</b> | 3 | <b>Good</b> ; indicates a student has intelligently fulfilled the requirements of a course, assimilating the subject matter with thoroughness and correctness and some understanding of its relationship to life, yet without distinctive ability and insight in reacting upon the subject in such a way as to own it. |
| <b>C</b> | 2 | <b>Satisfactory</b> ; indicates average work, either steady work of an acceptable quality, or work of a high quality which is uneven, irregular, or fragmentary. This grade is given to work that may be mechanically or outwardly correct but which shows little reflection upon or assimilation of the material.     |
| <b>D</b> | 1 | <b>Inferior</b> ; indicates barely passing work, work that is inferior to the average both in quantity and in quality. It manifests either low potentiality, the lack of initiative and sense of responsibility, or both.  |

<b>F</b>	0	<b>Unsatisfactory performance;</b> no credit awarded.
+	+0.3	With B, C, D
-	-0.3	With A, B, C, D
<b>P</b>		Satisfactory (C- or above for undergraduate work).
<b>N</b>		Less than satisfactory performance, no credit awarded; (D+ or lower for undergraduate work).
<b>AUD</b>		Audit, no credit awarded.
<b>I</b>		is a temporary grade indicating that not all requirements for the course have been completed on the due dates.
<b>W</b>		Official withdrawal without penalty.
<b>W/F</b>		Withdrawal while failing.
<b>X</b>		No grade reported by instructor (recorded by the registrar).

**P/N (Pass/No Pass)** grades are the prerogative of the individual professor. Approval of the instructor must be received by the close of the registration period as printed in the catalog. In the A, B, C, D, and F scale, below C- is No Pass. Courses with P grade count toward graduation. This choice, once made, is final and cannot be revoked.

**D or F Grades.** The grade of D does not satisfy graduation requirements in an academic major or minor. A student who receives a grade of D or F may repeat the course once. The first grade received will remain on the permanent record, but the second grade, if higher, will be computed in the GPA.

**Incomplete.** All Incomplete grades must become letter grades within 30 days after they were received, unless additional time is given by the instructor responsible for the course and the dean of the school of graduate and professional studies. Grades that are still Incomplete at the end of 30 days revert to the grade earned in the course at the time the incomplete grade was issued. If not a C- or higher, the course must be repeated, and the tuition for the course must be paid again.

When an Incomplete is received, the student receives a notice outlining the work to be completed and the expected date of completion. When the work is completed, the student gives the work to the instructor, and the grade is then given.

**Grade of WF.** The grade of "WF" is given for withdrawal after the third session of a course while doing failing work.

**Grade of X.** This grade is initiated by the Registrar's Office when it finds an error or other problems on grade reports submitted by the faculty. The grade is converted when the problem has been resolved or clarified.

**GPA.** All courses completed at Northwest Christian College and transferable credits from other colleges and universities are computed for the cumulative GPA for academic awards and honors.

### ***Late Papers and Assignments***

Each instructor sets policies regarding papers and other class assignments turned in late. Professors reserve the right to set penalties including lowering of grades as well as rejection of late papers.

### ***Makeup Tests***

No makeup quizzes, tests, and finals will be allowed except for circumstances granted a legitimate excuse status. In the event that a student cannot take a quiz, a test, or a final, he/she must present a written statement in person to his/her professor before or within three days of the absence, and the professor will determine whether or not a legitimate excuse status will be granted.

When makeups are given, the quiz, test, or final exam already given to other students will not be repeated. New tests must be prepared.

### ***Graduation***

#### ***Commencement/Graduation Activities***

The main commencement activities are held in May, at the end of spring semester. An additional graduation ceremony is held in December at the end of fall semester beginning fall 2007. Participants in commencement must complete all graduation requirements prior to commencement.

#### ***Graduation Application***

Students planning to graduate are required to file a formal application for graduation with the Registrar's Office 30 days prior to the beginning of the semester in which they wish to graduate (by December 1 for the May ceremony and August 1 for the December ceremony). Until the student has been given preliminary clearance, he/she should not make any graduation plans.

### ***Registration***

#### ***Official Confirmation***

Students must sign a Financial Responsibility Agreement for the year, and each semester confirm continued enrollment with the Business Office in order to complete registration. This step enables disbursement of institutional, state, and federal financial aid and affirms continued dormitory occupancy.

### ***Reenrollment***

Students who have dropped out of their class but wish to join a new class must:

1. Notify the chair of the Professional Studies Program of their desire to return.

2. Provide evidence that all work is current, Incompletes are removed, and financial arrangements have been made.
3. When the PSP Admissions Coordinator acknowledges the above provisions have been met, students will be admitted to a new cohort to complete the program.
4. Provide evidence that all financial obligations have been met.

### ***Withdrawal***

To withdraw from the program, the student must notify the academic advisor and complete the withdrawal form. Students will receive credit for modules completed. Withdrawal from the program will jeopardize any financial aid for the rest of that academic year. (These regulations have been set by federal and state governments.)

### ***Called to Active Service Duty***

Should a student enrolled at NCC be called to active service duty, he/she should report to the Registrar's Office. The registrar will back the student out of the classes he/she is registered for and refund the student's fees 100 percent (working in conjunction with Financial Aid if appropriate). Questions regarding this policy may be directed to the office of the vice president for academic affairs.

### ***Student Classification***

#### ***Classification of Students***

A student's classification is determined by the amount of credit earned both in hours and grade points. The classification held by a student at the beginning of the academic year will be continued throughout the year.

**First-year:** A student having 29 or fewer semester hours of college credit.

**Sophomore:** A student who has completed 30 semester hours of college credit by the opening of the fall semester.

**Junior:** A student who has completed 60 semester hours of college credit by the opening of the fall semester.

**Senior:** A student who has completed 90 semester hours of college credit by the opening of the fall semester.

**Non-Degree Seeking:** A student who is taking six or fewer semester hours and who does not plan to meet requirements for graduation. A student who acquires 30 semester hours of credit must change from special to regular student status and conform to the usual regulations governing regular students.

**Post-Baccalaureate:** A student who has earned a bachelor's degree and is pursuing further studies.

### ***Transfer Evaluation***

#### ***Credits from Institutions Accredited by Recognized National and Regional Academic and Professional Accrediting Agencies***

All credits from such institutions are transferred and appropriately applied toward graduation requirements.

#### ***Credits from Institutions Not Accredited by Recognized National Academic and Professional Accrediting Agencies***

Credits from institutions not accredited by a CHEA recognized accrediting agency are evaluated on a case-by-case basis by the Registrar's Office.

A student who is accepted as a transfer student from an unaccredited institution must complete one full semester of work at Northwest Christian College before any credit is transferred. A complete evaluation of the work will be made at the end of the first semester. If the student has maintained a C average at Northwest Christian College, full credit will be given for the transferred work. A maximum of 30 credits may be transferred if approved.

### ***Transfer Credits***

The Registrar's Office evaluates work transferred from other institutions and determines which courses/credits might apply toward a degree program at Northwest Christian College. The limit on transfer of vocational and technical credits from an accredited community college is 20 semester hours. Such credits may be transferred if they are appropriate and applicable toward the student's academic and career goals.

### ***Grade Limitations on Transferred Credits***

Transferred courses with a C- or better are applied toward graduation requirements.

### ***Music Credits***

A maximum of 8 hours of music performance credits may be transferred. No more than two classes with the same course number will be applied to graduation requirements. An exception may be made if a student has upper division music courses that relate to the major.

### ***Physical Education (PE) Credits***

A maximum of 8 hours of PE credits may be transferred. No more than two classes with the same course number will be applied toward Northwest Christian College graduation requirements.

### ***Reporting of Grades from Other Institutions***

Grades for courses taken at University of Oregon and/or Lane Community College must be reported to the Registrar's Office by the second week of the semester.

Students whose University of Oregon and/or Lane Community College grades are not submitted by the deadline will not be considered for academic and other honors nor for financial aid. Later reporting of the grades may result in rescinding of any honors and aid given.

### ***Alternative Ways to Earn Credits***

Students can earn credits up to 30 hours for associate of arts degrees and up to 60 hours for bachelor's degrees by means other than a regular college classroom setting. The faculty of Northwest Christian College has approved the following alternative methods: Credit by Examination Programs, Credit by Portfolio Assessment, Credit through Military Educational Programs, Correspondence Courses, Telecourses, Distance Learning Programs, and Course Challenges.

### ***Credit by Examination Programs***

For credits through examination programs, Northwest Christian College uses the American Council of Education's (ACE) most recent edition of Educational Credit by Examination as its official guide for approval or disapproval of a test for credit-granting purpose. (Maximum number of credits through tests allowed: 15 hours for associate degrees; 30 hours for bachelor's degrees.)

1. Advanced Placement (AP). Up to 30 college credits (a full year's work) toward a baccalaureate degree are granted to students who receive the grade of three or higher on tests sponsored by the Advanced Placement Program of the College Entrance Examination Board. The subject area tested and the scores received determine which Northwest Christian College course requirements are satisfied. Contact the registrar for more details.
2. College Level Examination Program (CLEP). An applicant can earn up to 30 academic credits (a full year's work) toward a baccalaureate degree through CLEP tests offered by the Educational Testing Service of the College Board. Contact the registrar for more information.
3. International Baccalaureate (IB). College credit is awarded to students who have scored 4 through 7 on an individual IB higher level exam in any subject area. Students applying for admission who hold an IB diploma are considered on a case-by-case basis for advanced placement and college credit. A maximum of 30 semester hours may be granted toward requirements for a bachelor's degree. More information is available from the Admissions Office.

### ***Credit by Portfolio Assessment***

Students may receive credits in a variety of subject areas for learning acquired through experience outside a normal academic setting. For conditions, guidelines, and procedures, consult Northwest Christian College Manual for Credit for Prior Learning. No graduate credits are granted through prior learning experience.

### ***Credit Through Military Educational Programs***

In granting credits earned through military training and experience, the College relies on standards and guidelines established by the American Council of Education (ACE). The ACE, through its Office on Educational Credit and Credentials (OECC), provides credit recommendations for courses and occupational training provided by the armed forces. ACE evaluates formal military courses and training and publishes credit recommendations in the Guide to the Evaluation of Educational Experiences in the Armed Forces Guide. The credits accepted must relate to the student's academic and career goals.

### ***Correspondence Courses, Telecourse, Distance Learning Programs***

Northwest Christian College recognizes and accepts for transfer, credits earned through telecourse, correspondence, and distance learning programs administered by regionally accredited institutions. The maximum number of such credits is 40.

### ***Class Waiver and Community College Articulation Agreements***

Graduates of community colleges with a college transfer track, and transfers from accredited four-year colleges and universities with two years of a well-balanced program in general studies (humanities, social sciences, and sciences) may be exempted from Northwest Christian College's general education (core) requirements, except in Bible and Christian Theology as well as chapel and service requirements. In some cases such students may be advised to complete additional courses to meet Northwest Christian College's general education requirements.

Waiver of any required course does not exempt the student from the general graduation requirements. The total number of credit hours required for graduation must be completed. All other applicable general requirements must be met. Students who, at the time of initial matriculation, have completed the Oregon Transfer Associate of Arts degree or a similar degree from an accredited institution satisfy Northwest Christian College core requirements (or general education requirements) except 8 credits in Bible and Christian Ministry. These requirements are normally fulfilled with BTH 101/102.

NCC has articulation agreements with a number of institutions, including the following: Lane Community College, Peace Health Oregon Region, Pioneer Pacific College, Umpqua Community College. Details of these agreements can be viewed in full at [www.nwcc.edu/registrar/articulation](http://www.nwcc.edu/registrar/articulation).

## ***STUDENT DEVELOPMENT***

### ***Code of Conduct***

Northwest Christian College, with a foundation in the Christian faith, is committed to holistic student development in the context of our vision, mission, and values. We have established services, policies, and community guidelines that will foster a living-learning environment consistent with our values.

Nearly everyone must adapt his or her lifestyle to some degree in consideration of other individuals or groups. We believe all students have the right at all times to study, sleep and live in an atmosphere of mutual respect. It is therefore important to understand what is expected of you while a member of the Northwest Christian College community. Standards were designed to allow for the freedom and flexibility of the individual and to ensure the rights and privileges of the community as a whole. You may not agree with, or fully understand, some facets of the College's behavioral expectations. However, by enrolling as a student at Northwest Christian College, you agree to live according to the expectations outlined here. Non-matriculated students admitted to special programs are also expected to maintain these standards. Any questions regarding these statements should be directed to the vice president for student development & enrollment and dean of students.

Policies and standards for conduct shall apply to conduct that occurs on the College premises, at College-sponsored activities, and off campus when a student's conduct could adversely affect the College community and/or the pursuit of its objectives. Each student shall be responsible for his or her conduct from the time of application for admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and between the terms of actual enrollment (and even if their conduct is not discovered until after a degree is awarded). NCC reserves the right to interpret policy and to apply the intent of the policy judiciously, depending upon circumstances. College policy ensures individual responsibility and an environment that contributes to a learning community. Failure to abide by the policies and procedures as outlined by the Student Handbook may result in disciplinary action and sanctions. Each student associated with Northwest Christian College is expected to be familiar with and to follow all policies and procedures established by the College.

For a complete listing of policies, judicial affairs, and grievance procedures please refer to the Student Handbook posted online at <https://www.nwcc.edu/studentdev/handbook.pdf>; hard copies are available by request in the Student Development Office, 684-7345.

### ***Associated Students of Northwest Christian College (ASNCC)***

The Associated Students of Northwest Christian College (ASNCC) exists to represent the undergraduate student body in all aspects of life at Northwest Christian College. ASNCC is the organization on campus officially recognized by the administration. As such, members are elected from the student body to offer the student voice. All elected representatives serve in committee roles to serve this end.

The committees are as follows:

- Academic Committee
- Campus Environment Committee
- Activities Committee

ASNCC also grants club and organization status to student groups on campus and assists those organizations with annual funding. The following clubs are currently officially recognized ASNCC clubs:

- |                |   |
|----------------|---|
| Crochet Club   | Ministry Club                               |

The NCC Bookstore provides the required textbooks for each class. Additional items include gifts, imprinted clothing, candy, snacks, and drinks.

### ***Return Policy:***

Refunds for textbooks purchased for the current semester are available during the first 2 weeks of each semester (dates are posted at the Bookstore). Books must be in the same condition as when purchased (no highlighting/marks of any kind if purchased new) and accompanied by the original receipts. After the first 2 weeks of classes, returns will ONLY be accepted with a signed drop slip and a receipt. Signed drop slip returns will be allowed for the first 30 days of the semester. Non-text merchandise is returnable, with original receipt within 30 days of the purchase date. Merchandise must be in re-sellable condition when returned.

### ***Textbook Buyback:***

Textbooks are bought back at the Bookstore at the end of each semester. During finals week of each semester we buy back books that are adopted for the next semester at 50% of the price paid for the text book; non-adopted textbooks are bought back at the current Nebraska Buyer's Guide prices - 0-30% of the new price. (Damaged and heavily marked in books might not be bought back.)

### ***Campus Ministries*** (<http://www.nwcc.edu/studentdev/ministries/>)

Campus Ministries exists to foster and support Christian spiritual development of the students and entire Northwest Christian College campus community. To facilitate the purpose Campus Ministries offers:

- Twice a week chapels that aspire to build community, enable worship, and foster Christlikeness.
- Discipleship Small Groups
  - Varied small groups of students meet weekly to encourage accountability to the Lord Jesus Christ - to walk as He walked, to build community, and to provide a safe, nurturing place to face our struggles in becoming more like Jesus.
- Pastoral care when students sense a need for a safe place for encouragement, direction, affirmation, belonging, becoming, prayer, and nurturing in the Christian faith. The campus pastor and his staff want to serve the student body of NCC to become whole in Christ.
- To help students connect with a local church during their years at NCC. Though campus ministries provides pastoral oversight and care, NCC is not a church. Students are encouraged to become active in a local church.

### ***Career Development***

#### ***Career Planning***

In partnership with the National Association of Colleges and Employers (NACE), the Career Development Center offers the following services to students and alumni: individual career counseling and planning; assessments and interest inventories; internship and career-related volunteer opportunities; employment information; graduate school assistance; resume, cover letter, and interviewing preparation; and job search seminars and workshops. Resources are also made available in the Kellenberger Library on campus and on the College's website ([www.nwcc.edu](http://www.nwcc.edu)).

#### ***Employment Services***

Students interested in general employment in the Eugene-Springfield area may access online job postings by visiting the College's website ([www.nwcc.edu/studentdev/career](http://www.nwcc.edu/studentdev/career)) or by consulting the Career Development Center, located on the second floor of the Morse Event Center.

#### ***Counseling Services*** ([http://www.nwcc.edu/grad/counseling\\_professional/services.html](http://www.nwcc.edu/grad/counseling_professional/services.html))

Mental health counseling services, offered by Professional Counseling graduate students, are available to all NCC students. Each student may receive ten free sessions with a counselor per year. After ten sessions are completed, students are offered counseling services at a low cost. Students interested in counseling should call 349-7471 to schedule a brief intake appointment.

#### ***Disability Services***

NCC does not discriminate against qualified individuals with a disability in admission or access to its programs or activities. Prospective and admitted students who need information about programs, services and accommodations should contact the Student Development Office. The vice president for student development or his/her designee is the disability officer for Northwest Christian College. For a complete explanation of disability services, please see the Disability Services Handbook available in the Student Development Office.

#### ***Fitness Center, Morse Event Center*** (<http://www.nwcc.edu/athletics/mec/privileges.html>)

The Fitness Center meets student's fitness needs. The center offers a variety of cardio, weight, and strength training equipment to meet physical health needs. Hours of operation are extensive during the school year. These hours will be posted and supervised.

#### ***Food Services***

Sodexo is our food service provider and works with individual students who have special dietary requirements.

### ***Health Services***

NCC employs a campus nurse. The nurse's office is located on the first floor of Burke-Griffeth, between the Banquet Room and the Rug Room. For office hours and more information please call 684-7345. All records and patient information will remain confidential in accordance with HIPAA. The nurse can address initial health needs, coordinate further services off-campus, and provide health recommendations to individual students.

Unless covered by a family or individual policy, all full-time students and all students living in campus housing must subscribe to NCC's student insurance policy. The policy is primarily a hospitalization and accident policy. Questions about the policy or claims for insurance benefits are handled by Guarantee Trust Life Insurance company (1-800-452-4772 or [www.associatedinsuranceplans.com/nwcc.htm](http://www.associatedinsuranceplans.com/nwcc.htm)). Claim forms are available in Student Services.

### ***Intercollegiate Athletics***

Northwest Christian College is a member of the National Association of Intercollegiate Athletics (NAIA). The Beacons will be a full participating member of the Cascade Collegiate Conference in 2007-2008. NCC offers eight opportunities for collegiate athletics participation.

#### **Fall Sports:**

Men's Cross Country, Soccer  
Women's Cross Country, Soccer, Volleyball

#### **Winter Sports:**

Men's Basketball  
Women's Basketball

#### **Spring Sports:**

Women's Softball

Men's and Women's Golf will begin in 2007-2008.

### ***OWL Newsletter***

Adult students are often juggling full-time employment and family responsibilities. Student Development understands the many roles adult students play everyday and works to support and encourage adult students in a variety of ways. The OWL Newsletter publishes event information, study tips, the home athletic schedule, and other opportunities for adult students and their families to engage in the NCC community. Student Development also sponsors OWL Child Care events periodically so that our student/parents have a safe and fun environment to leave their children for a few hours while they catch up on personal time or study time.

### ***Student Activities***

Student Activities focuses on enriching the co-curricular life of students especially in the area of Christian community development. We offer a broad array of programs aimed at fostering an environment of learning and belonging. Current offerings which serve this end include the following:

- Beacon Nights: A free weekly program that gives students exciting events to participate in on Friday nights at 9pm.
- Signature events including Mr. Beacon Competition, Beacon Madness, Midnight Breakfasts, Homecoming events, Spring Formal, Family Weekend, concerts, Coffee House concerts, Class Film Competition, etc.
- A competitive Intramural program offer both league and non-league play in the areas of dodge ball, volleyball, ultimate Frisbee, flag football, open gym, etc.
- Cultural programs engaging in local arts--everything from the Eugene Saturday Market to Andrew Lloyd Weber shows at the Hult Center or in Portland--as well local international events such as the Eugene Asian Celebration and Fiesta Latina.
- Educational programs aimed at promoting justice on earth including emphasis weeks and diversity months.
- Outdoor activities including rafting, skiing, coast trips, and hikes.

For a complete listing of policies, judicial affairs, and grievance procedures please refer to the Student Handbook posted online at <https://www.nwcc.edu/studentdev/handbook.pdf>; hard copies are available by request in the Student Development Office, 684-7345.

# PROGRAMS OF STUDY

## PROFESSIONAL STUDIES PROGRAM

*Program Chair:* Ms. Colleen Ramos

*The Department of Business and Management offers four majors in the professional studies format:*

1. B.A. Accounting
2. B.A. in Management
3. B.A. in Management Information Systems (MIS)
4. B.A. in Health Care Administration

The Professional Studies Program is a unique alternative to the traditional method of pursuing a bachelor's degree. It is designed for working adults who have approximately 60 semester credit hours and significant life experiences who want to earn a college degree while continuing their employment. The delivery system for the curriculum is based on course modules taught in the evenings and some Saturdays. The program utilizes the latest adult learning models and principles to facilitate learning and to make it relevant.

This educational model assumes a level of experience that will serve to produce college credit for learning that is validated by means of the portfolio assessment process. This experience also plays a key role in the curriculum, which integrates past and present work and life experiences in a learning process that emphasizes student participation and interaction.

Students form a cohort, a group of individuals who may stay together for the entire year and a half of the program. These students develop a strong sense of community and become a support system for each other. This system optimizes the interchange of ideas and experiences and enhances collaboration and class interaction, allowing adults to excel in their particular learning situations.

The Professional Studies Program is designed and structured for the adult learner. Student performance is most often evaluated by summary papers, class discussion and participation, project work, and written exercises. Student involvement in the learning process is featured throughout the program.

The Professional Studies Program represents NCC's renewed affirmation to meet the needs of adult students and remain relevant in a changing world.

### *Mission Statement*

The Professional Studies Program exists to serve students, faculty, and staff in achieving their personal, professional, and academic goals in an environment that fosters growth, change, learning, faith, and service. We are committed to providing excellent academic programs that serve students at all levels of professional experience. We are committed to serving the educational needs of our community by providing quality programs and services. We are committed to providing a supportive, challenging working environment for faculty and staff that is also a fun place to work.

### *Program Objectives*

Students who complete the Professional Studies Program in Management at Northwest Christian College will possess knowledge and skills in:

1. Critical thinking and problem-solving strategies.
2. Written and speech communication.
3. Life-long learning and the motivation to continue learning.
4. Interpersonal skills in negotiation, conflict resolution, and teamwork.
5. Organizational effectiveness and leadership principles.
6. Biblical literacy and ability to apply it to personal and management situations.
7. Library and information technology competency.

### *Affective Objectives*

A list of attitudinal, personal, and social dimensions of learning and growth expected of our students consists of:

1. Recognition of the role of spirituality in one's life.
2. Respect for intellectual functioning as manifested by a commitment to life-long learning.
3. Consideration of others as manifested by tolerance and compassion.
4. Aspiration toward personal and professional growth.
5. Social and political consciousness and responsibility.

### *Admission Requirements*

To be considered for admission, applicants must:

1. Have a minimum of 48 to 60 semester credit hours of transferable credits from regionally accredited colleges and universities, as well as from credit by examination programs (such as AP and CLEP) and accredited military and other non-institutional educational programs or prior learning experience credits.

2. Have several years of work experience, community service, and/or program development responsibilities.
3. Must have passed WR 121 with a C minus or better.
4. Must have passed one college level Math course with a C minus or better.
5. Must have a cumulative GPA of 2.00 or higher.

### ***Application Procedure***

To be considered for admission, applicants to the Professional Studies Program must provide the College with the following information:

- Application for Admission.
- Submit a signed application with the \$25 non-refundable application fee.
- Payment Plan Worksheet.
- Official transcripts demonstrating an overall 2.00 G.P.A.
- Have official transcripts from each college or university attended sent to the Admissions Office .
- Interview with the Admissions Coordinator.
- Current Résumé.
- Autobiography.
- \$100 deposit (applicable toward first semester tuition).

### ***Graduation Requirements***

1. Completion of 124 semester credit hours.
2. Completion of a basic core curriculum.
  - 2 hours of writing competency (WR 121 English Composition)
  - 18 hours in humanities with at least 4 hours in two different subject areas
  - 16 hours in social sciences with at least 4 hours in two different subject areas
  - 8 hours with at least one course each in math, lab sciences, and computer skills
  - Students with an Associate of Arts Oregon Transfer degree (AAOT) have met the core requirements.
3. Completion of 45 upper division hours (includes 8 hours of Bible & Christian Ministry studies).
4. Completion of 32 hours in the major.
5. Cumulative GPA of 2.00 or better for all coursework including those transferred to meet graduation requirements.
6. At least a C- average in management program.

### ***Limitations for Professional Studies students:***

1. Minimum number of graded courses: 42 credit hours.
2. Maximum number of credits allowed through AP, CLEP, or ACE equivalency: 30 credit hours.
3. No maximum number of military, fire, or police credits.
4. Maximum number of credits allowed through Prior Learning Experience (PLE): 30 credit hours.
5. Maximum number of credits earned in field experience and practicum: 16 credit hours.
6. Maximum number of credits in correspondence study: 30 credit hours.
7. Time limit: 3 years from date of matriculation for bachelor of arts.

### ***Student Status in the Professional Studies Program***

A full-time student in the PSP is one who is taking at least 12 credits in each semester. Prior learning credits, AP credits, and CLEP credits are not counted in the total number of credits a student is taking in a semester. PSP students who are taking less than a full-time credit load may not be eligible for financial aid and may jeopardize completing the program in the scheduled timetable.

### ***Portfolio Information***

The portfolio is a compilation of the student's learning in the areas of academic, personal, and professional experience. Credit from the portfolio is generated in two ways:

1. Credit for technical and professional training may be awarded if it is appropriate and applicable to the student's career and educational goals.
2. Life-learning essays, written lucidly and logically, communicate to faculty the kind and amount of learning gained from specific life experiences.

Students who wish to earn credits for life-learning experiences will work with the chair of professional studies program to determine academic areas in which they could write life-learning essays. The assessment process determines the credits to be awarded.

Fees are assessed for any credit(s) awarded through the portfolio process that are awarded by NCC. Students may contact the Professional Studies Office or Admissions Office for the current fee schedule.

# PROFESSIONAL STUDIES PROGRAM COURSE DESCRIPTIONS

## *ACCOUNTING*

ACTG 310 Principles of Accounting (3) This course is an overview of financial and managerial accounting. It will focus on the needs of students to understand the primary framework of financial statements, the accounting cycle, and asset control. It will also touch on costing issues, cost-volume-profit analysis, and flexible budgeting.

ACTG 341 Intermediate Accounting I (3) This course will focus on learning the conceptual framework of financial reporting and how to apply the historical cost, revenue recognition, and matching principles to measuring transactions. The primary foci will be on the asset side of the accounting equation and the proper presentation of assets on the balance sheet. Emphasis is placed on the effective use of accounting information systems and technologies, as well as understanding the ethical roles of accountants within society.

ACTG 342 Intermediate Accounting II (3) This course will focus on learning the accounting and financial reporting for liabilities and for stockholders' equity. Emphasis is placed on Statement of Cash Flows, Statement of Retained Earnings, and Income Statement. Special problems in accounting, such as accounting for leases, defined benefit pension plans, and the difference in the way taxes are treated for accounting and for reporting to the IRS will also be addressed.

ACTG 345 Cost Accounting (3) This course covers cost accumulation systems used in service, merchandising, and manufacturing organizations, including job order costing, activity-based costing, and standard costing. The course also covers concepts and procedures to analyze cost accounting data for planning and control purposes, such as cost-volume-profit analysis and variance analysis, and the use of communication of accounting information in selected business decisions, such as pricing, product-mix, special orders, and outsourcing.

ACTG 430 Federal Income Tax (3) This course will focus on the study of current federal income tax laws and application of individual income tax rules. Emphasis is on analyzing and interpreting tax rules as well as developing ability to research tax rules. Accounting theory and practices of federal income taxation will be examined based on a study of governmental publications - the laws, regulations, and digests of official income tax decisions.

ACTG 440 Auditing (3) This course will focus on the study of auditing standards, internal accounting control systems, compliance and substantive audit procedures applied to accounts and transaction cycles, and audit reports. Special attention will be directed to the auditing concepts of materiality and risk, types of evidence and documentation, and an introduction to the ethical and legal responsibilities of the Certified Public Accountant.

ACTG 450 Advanced Accounting (3) This course will focus on the principles and mechanics upon which corporate financial statements are prepared on a consolidated basis. Students will be able to prepare financial statements for various forms of corporate "families" which have a representative variety of inter-corporate transactions. Students will be able to make appropriate adjustments to the accounting records to reflect the inter-corporate investments. Additionally, students will become familiar with the pros, cons, and ethical issues involved with corporate mergers and other forms of corporate expansion.

ACTG 499 Controllership Project (3) This course is a capstone for graduating seniors. Students will focus on the integration of all accounting theories and practicum as the student is asked to critique a "real-world" controller. Students will demonstrate a clear understanding of the intricacies of the position by correlating the elements in the "real-world" position with elements learned in the classroom and how improvements in efficiencies within the controller position might ultimately impact corporate profits.

## *BIBLE AND CHRISTIAN THEOLOGY*

BTH 375 Ethical Decision Making (3) A review of historical ethical philosophies and their application to personal and corporate values will be examined in this course. Of special interest will be an examination of the relationship of the various ethical philosophies to the field of bioethics.

BTH 445 Servant Leadership (3) This course examines the concept of servant leadership from a personal as well as an organizational viewpoint. The interplay of organizational values, cultural values, and personal values with servant leadership principles will be a major focus of the course.

## *ECONOMICS*

ECON 310 Managerial Economics (3) Economics, in general, is designed to explain the nature of the real world. Microeconomic analysis is the heart of economics and the key to its application in the world of business. This course is designed to help students apply economic models and economic reasoning to making managerial decisions in both the public and private sector.

## ***HEALTH CARE ADMINISTRATION***

HCA 310 Principles of Management & Health Care Systems (3) This course provides an examination of the fundamental management concepts and an historical review of the development of management theories with a focus on how those concepts and theories apply to health care systems.

HCA 315 Leadership & Human Resources in Health Care (3) This course presents policies and practices related to managing and leading people, including recruitment, hiring, training, professional development, evaluation, and compensation. Special consideration is given to the values and assumptions made in health care organizations as they relate to leading and developing the most important organizational assets--employees.

HCA 320 Interpersonal Communication (3) In this course, advanced techniques of interpersonal communication are presented and analyzed. Emphasis is upon the development of effective communication in the workplace.

HCA 360 Health Care Information System (3) This course provides an introduction to managing and using information technology in health care organizations. Emphasis is placed on the technology, application to health care, development of information technology solutions, and security and ethical issues.

HCA 410 Quality Assurance Issues in Health Care (3) This course will examine quality assurance in health care from the patient perspective. Beginning with an overview of healthcare history and trends, various quality assurance programs will be examined for their relationship to patient safety and care. The impact of policies and processes on quality assurance for patients will be a focus of the course.

HCA 450 Financial Decision Analysis in Health Care (3) The focus of this course is on the analysis of managerial planning and control in health care organizations with emphasis on the development and administration of budget and financial support systems.

HCA 480 Sociology of Health Care (3) This course examines the medical, psychological, and social welfare programs and models that address health care needs, with a focus on best practices examples as well as the needs of populations with respect to such issues as age, race, gender, ethnicity, sexual preference, education, and physical limitations. Students will also become familiar with local community health care services, funding issues, and social service prevention models.

HCA 495 Health Care Internship/Project (3) This course provides students the opportunity to gain practical work experience in an area of interest in the health care field or to research a project that will benefit a local health care organization under close supervision of a faculty advisor. The format of the internship or project will be flexible, with an emphasis on individual contracts with local health care providers.

HCA 499 Strategy & Planning in Health Care (3) This capstone course will examine the relation of organizational by-laws, policies, processes, and stakeholders to strategy and planning. Forecasting and visioning, especially as they relate to community outreach, public relations, and customer relations, will be examined.

## ***MANAGEMENT***

MGMT 310 Foundations of Management (3) This course provides an introduction to the concepts and principles of management in organizations. This course examines the application of these principles and concepts in relation to various types of organizations. In addition, students will become familiar with business, and management resources that will serve as information resources in their careers.

MGMT 314 Organizational Theory and Design (3) This course analyzes how organizations are designed and structured from a systems perspective, how they are affected by internal and external environment, why they are effective or ineffective in achieving their goals, and how culture and power impact this issue.

MGMT 315 Human Resources Management (3) This course presents policies and practices related to managing people, including: hiring, training, professional development, evaluation, and compensation. Special consideration is given to the values and assumptions made in maintaining personnel policies and practices. Case studies and simulations are participated in, making use of data from EEO and OSHA legislation.

MGMT 320 Interpersonal Communication (3) In this course, advanced techniques of interpersonal communication are presented and analyzed. Emphasis is upon the development of effective communication, both oral and written, in the workplace.

MGMT 330 Marketing (3) This course is an integrated analysis of the role marketing plays in an organization. Analysis will include factors affecting consumer behavior, the development of marketing strategies, and recognition of market analysis.

MGMT 370 Legal Environment in Business and Management (3) This course exposes students to the legal issues related to the fields of business and management. Issues related to the law of agency and business organizations, the law of business transactions (contracts, Uniform Commercial Code, debtor/creditor relations, and international), and laws related to employment will be examined.

MGMT 415 Organizational Development (3) Emphasis in this course will be on analysis of group formation, behavior, functioning, and effectiveness. Focus will also be placed on developing skills in team/group leadership to solve problems in organizational settings.

MGMT 450 Financial Decision Analysis (3) The focus of this course is on the analysis of managerial planning and control systems with emphasis on the development and administration of the budget and financial support systems.

MGMT 499 Strategic Management (3) This capstone business course examines the interdependence of the different functions of a business. Through the use of computer simulations, students gain a comprehensive and integrated view of business operations and the role of top management in analyzing the environment, setting goals, and implementing plans with special emphasis on ethical issues. Business students take this course in the final term of their senior year.

### ***MANAGEMENT INFORMATION SYSTEMS (MIS)***

MIS 360 Management of Information Technology (3) This course provides an introduction to managing and using information technology in organizations. Topics include technology (hardware, software, data, and networks), business applications (Internet, intranet, extranets, electronic commerce, decision making, and strategy), the development of information technology solutions, and security and ethical considerations as well as information technology in the global environment.

MIS 370 Information Systems Planning and Management (3) This course is a study of the financial, technical, and strategic information systems planning processes. Emphasis will be placed on the relationship of information systems and the information systems function to the overall business organization as well as planning and budgeting.

MIS 380 Database Management (3) This course focuses on the management and use of data resources in an organization.
