

AFTER DOUBT

In an increasingly post-Christian world we all face pressures that challenge us to give up, to quit, and to doubt.

It is our great pleasure to invite you to an event for pastors and ministry leaders with Dr. AJ Swoboda who will help us to ask:

“Is there a way to walk through doubt faithfully with Jesus?”

Thursday, November 18, 2021

Everyone is struggling with some level of doubt or experiences that make us question. And while these experiences are real, few are talking about how we do it faithfully. In this book, Dr. A.J. Swoboda irons out some key practices that people dealing with doubt can practice to help them walk faithfully toward Jesus.
